KALAMUNDA DISTRICTS BRIDGE CLUB NEWS

EDITORIAL

A little late in the New Year with this issue due to putting the feet up at holiday time but never too tardy for your committee to wish you all a very happy New Year, and plenty of exciting episodes at the bridge table during 1979!

Due to some of the scoring members being on holiday, your Editor took on the job of finishing the scores for last Wednesday - and - gee - hopes that all members have now made resolutions to FILL IN THEIR NAMES AND PAIR NUMBERS AT THE TOP OF EACH BOARD TRAVELLER AT THE BEGINNING OF THE EVENING RIGHT THROUGHOUT THE YEAR AND ALSO FILL IN HANDS AND SCORES CORRECTLY!

Being new to scoring, I never realised one has to do a Sherlock Holmes in order to complete the lists correctly and of course if the assessment is still wrong, then the results can upset the listings during the year.

LETTER TO THE EDITOR - January 7, 1979

"..... I have pitched my tent in a glade some 50 feet from the Delatite River at Mirrimbah, population 5, (Heck, 1½ tables, that's almost as bad as Darkan! Ed.) at the foot of Mt Bullu, a Victorian playground from June to September.
....." Mike

Thanks, Mike, for contributing to B.T.G. from so far away.
We hope to have further instalments from over there. BNN

ROVING AROUND WITH A.N. OTHER

Dropped in to the Victorian Bridge Association on New Year's Day at 7.30 p.m. Asked to play. Declined! Watched a few hands played at different tables. Standard was lower than at Kalamunda. Glad I declined the offer. Played some rubber, Chicago style, at Geelong on December 29, with three ladies, one the mother of the other two. You know

my penchant for the ladies! Very enjoyable. May attend the National Open Teams in Canberra later this month and will certainly be at Melbourne to watch Aleda and Joan et al in action.

Best wishes to you all for 1979. See you on March 28th.

The League Teams for 1978 is now all over. In the 1st Division, Silver (Eldred, Shieff, Goddard (R) and Kirby) finished 6th out of ten, Gold (Prince (R), Clark A and D, and Goddard (J)) finished 9th out of ten. In Division II, Bronze (Haggard, Hopper, Turley M and R) only just failed to win the Division by 1 VP, and were second. Kalamunda White held up the rest of the Division and will be demoted next year. Our only other team, in Division III, Blue, finished 8th out of 10.

BRIDGE QUIZ: The following hand has North as declarer in a contract of 7 spades, and no matter what the lead or defence, the contract should be made. The question is how?

The question has been posed by David Hallam, and I hope he can supply the answer in the next edition! However, knowing his mischevious nature, when I ask for the answer, he will probably reply, "I don't know, I'm asking you!"

TABLE TALK: After a particularly difficult board, the following brief exchange was overheard -

Barbara Hart: "This is a vicious game, isn't it,"

Beatrice Webster: "Yes, it is, but it still doesn't bring out the worst in me - like Scrabble!"

B.A.W.A. HANDBOOKS 1979: We have a number of handbooks for members but unfortunately not enough to allow each member to have a copy. Would those who would like a handbook, please contact a committee member.

REGISTRATION FOR THE 1979 COMPETITIONS: The various Club competitions are posted on the notice board. Would members please enter their names as soon as possible.
