KALAMUNDA DISTRICTS BRIDGE CLUB NEWS

S T O P P R E S S !

## KALUMUNDA MEMBERS QUALIFY FOR STATE TEAMS SELECTION FINAL.

Last Thursday night, eight Kalumunda players surprised themselves and us, by surviving four gruelling rounds against the State's best players.

This must surely be the greatest thing to happen to the Kalumunda Districts' Bridge Club since Michael Hopper won the Australian Individual Championship in 1973.

The successful people were :-

Aleda Clark and Joan Goddard, Charlie Frugte and Brian Richardson, Roy Goddard and Bob Prince, Clive Godden (playing with Hadyn Lowe) and Jeff Lathbury (playing with John Lester).

They now face nine, twenty-eight board matches against the other nine qualifiers, to determine who will represent Western Australia in the Australian Nationals. This event will be held in Adelaide during August.

I'm sure everyone will join with us in offering congratulations and wishing them all the very best of luck for their future matches.

We would also like to wish Chris Manser the very best of luck as he is the only Kalumunda Member to enter the Western Australian Individual Championships.

T O P I C A L T A P S:

You all know the story of the loaves and fishes - well this is one without the loaves and the fish didn't really multiply ! ..... Found under one bed, three dead fish floating in an icecream carton. Ask the "Rent a Garden Bag Man" for the remainder of the story - it really smells.

A middle aged lady in our midst, has had to leap frog from her front gate to the road for the past couple of months. Training for the next Olympics May ? Not really, the council may know the reason why.

It's a Whopper ! Some may have tasted those lovely figs - well that tree is so big, Mr. Eversden gets his weekly exercise just moving the ladder. Thank you Mr. & Mrs. E.

A well dressed lady of the parking infringement fame is the proud new owner of a white Persian Cat. (no name as yet).

Why do you need car key ? They have been known to help ignition. I bet Mrs. Teague is still wondering why M.M.P. needed hers. Watch it Mary - you can't claim diplomatic immunity.

Overheard .....the tall man with the Kamahl haircut claiming he'd never been bottom in his life. He and partner took a dive to the very bottom (week March 17th) Take heart girls - just goes to show even husbands can make mistakes.

How would you play this hand to maximum advantage ? East's opening bid is a weak two, his opening lead is a heart followed by another heart, then a switch to a small club.
