

Bridging the gap

KALAMUNDA DISTRICTS BRIDGE CLUB NEWS

Vol. 1 No. 5

EDITORIAL:

THANK YOU

The committee wish to thank all members for their co-operation in lending a helping hand at the end of our recent weekly sessions. (I knew it only needed a gentle reminder! Ed)

"FOOD FOR THOUGHT"

Some keep their organisations strong,
While others join, just to belong,
Some volunteer and do their share,
While some there are who barely care.
On meeting days, some always show
While some there are who never go.
Some always pay their due ahead
Some get behind for months instead.
Some do their best, some build, some make.
Some never do-just sit and take
Some lag behind, just let things so,
And never help their group to grow.
Some drag, some pull, some don't some do.
Consider, which of these are you?

LET'S BE FIRST

To my knowledge there is no bridge club in Perth with its own logo, emblem, symbol - call it what you will.

GARAGES—Low, low prices yet engineering quality
in materials and construction.
